

Confetti Star Quilt - 48" x 64"

Workshop taught by Lisa Norton and Lora Zmak

Pattern can be purchase for whole sale cost (\$5) at workshop.

Join twin instructors, Lisa and Lora in a **Confetti Star Quilt** party. Learn a revolutionary technique that super simplifies the cutting and piecing of the

Hunter Star Block. Laugh and enjoy the sisters' humor and expertise as you create the 48" x 64" throw size Confetti Star quilt.

Email Lisa at materialgirlfriend@yahoo.com with any questions regarding the class or class supplies. Class is geared for confident beginners to advanced quilters.

Fabric Requirements For Class

Come to class with these already cut:

Twenty-four dark 10" squares

Twenty-four light 10" squares

Cake Layer friendly pattern. You can choose scrappy for both dark and light fabrics. OR choose one fabric for the lights and scrappy fabrics for darks. OR you can do scrappy light fabrics and one fabric for the darks. The pattern also works for just 2 fabrics- one light and one dark as well. The sample quilt used scrappy bright solids for the 10" dark squares and white solid for the 10" light squares. You'll need 1 $\frac{3}{4}$ yards if you choose to use one fabric for your twenty-four 10" squares.

Class Supply List
